## STAFFING

Colby Resources provides direct hire, temporary and temp-to-hire placement of professionals in the corporate disciplines of legal, oil/gas, accounting/finance, marketing/public relations and human resources. Chemistry between client and candidate is as fundamentally important as education and experience. Knowing our clients, their history and their culture, where they've been and where they're going, and identifying the right candidate to compliment the organization is Colby Resource's formula for success.

Colby Resources is dedicated to excellence in client service. To learn how we can introduce your company to the top talent available in today's marketplace, contact a Colby Resources consultant today.
